

How to Age in Place

FREE informational and resource fair

Wednesday, October 10 9 am - Noon

Town of Tonawanda Senior Center, 291 Ensminger Rd.

Wish to stay in your own home as you age?

Worried about the safety of doing so?

**Concerned with the economics
of keeping a home as you age?**

“Aging in Place” refers to the fact that people often can stay in their existing homes safely as they age, especially with the help of local professionals to help plan and implement any lifestyle changes to overcome environmental challenges.

This event brings together varied partners able to help you “age in place”: Erie County Senior Services, healthcare and respite providers, transportation services, insurance and financial planning advisors, design and remodeling experts, housing and supportive service providers, financial institutions who can offer many options including reverse mortgages, and many other service providers.

Free refreshments and raffle chances will be available - Please call Karen Johnson at 204-1508 to pre-register.
